- I was told last Thursday; we should have our new starting blocks by February.
- The new pool plan is a one 50 meter by 25 and a separate 25-yard warm down pool. We are probably going to use the design company that built the Mt. Sac Community College facility. Here is a link to that facility: <https://www.mtsacathleticscomplex.com/main-facilities/aquatics-complex> This was a lot of money.
- Mini locker rooms/Dressing rooms.
